

SSCQ Logo Type Use P&P

Overview

- The type face for the words Sailability Sunshine Coast Queensland use the font Vijaya Bold Italic, Vijaya is the font used within the official Sailability Logo Type, the logo with the blue and white sail. The word Sailability should be gazette in a dark blue colour and for Sunshine Coast Queensland red/green/yellow.
- For 2013 we should use the initial's/words SSCQ/Sailability Sunshine Coast Queensland when portraying our club, as some of the International Sailability Groups have shown interest in our club.
- There are a number of Sailability logo's available for clubs to use, (1) the sail logo with words following on the same line, (2) the sail logo with the words stacked below the logo (3) just the words following on the same line. These are the only options.
- The basic rule for clubs is to only use the official blue and white sail logo with the word Sailability integrated within the sail logo and you can use variations on the clubs official name.
