

SAILING AGREEMENT 2021

To maintain our Covid protocols, sailing will be on a roster system which must be adhered to. For everyone's safety, our guiding principles are: **Arrive, Sail, Leave.**

CONDITIONS of ENTRY

If you wish to sail, you will need to accept the following conditions:

1. If you or your carer have COVID like symptoms or have had contact with someone with COVID symptoms or suspected COVID symptoms within the last 14 days, DO NOT COME.
2. Keep to your rostered time: your time limit from arrival to departure will be ONE hour. Sailing time may be reduced to meet this time limit.
3. At present we strongly prefer ONLY ONE client per carer for sailing. However we appreciate that for larger groups, such as schools, this is impractical. At present we will be able to take only ONE passenger in the power boat; one client OR one carer.
4. You must accept our COVID protocols, the main ones being:
 - a. Agree to have your temperature taken on arrival (*we use no-touch thermometers*);
 - b. Sanitise your hands on arrival and departure (*sanitiser is provided*)
 - c. Sign in with contact details for you and your carer and sign out on departure;
 - d. Except when sailing and getting in and out of the boat, maintain a distance of at least 1.5m from all other people and groups as far as possible;
 - e. Apart from sailing equipment, bring all other things you may need, including water as our shed and kitchen areas are closed to clients and carers;
 - f. Should you or your carer develop symptoms of COVID-19 within a week of attendance you must let us know.

If you have difficulty with the online form please email: sscgrosters@gmail.com

Bookings will be on a first in first served basis so, unfortunately some will miss out on their preferred time.
